

Returning To School During Covid-19

Westcliffe Federation

We have done a good job of social distancing and staying at home

Less people are getting sick with the
Corona virus.

Some places will start to re-open gradually.

Schools are reopening soon

We need to be careful so that we don't spread germs at school.

To keep everyone safe, things will be different at school.

Some children and staff will stay at home

Learning will take place at school for some children and online for other children

Children who come to school will attend in smaller groups

Children who come to school will attend at different times.

Parents might be asked to stay out of the building to limit the amount of people inside.

Everyone entering the school needs to make sure that they are healthy.

Anyone who is feeling sick needs to self-isolate at home so they don't spread illnesses to anyone else

Some people might be wearing masks
or gloves at school

Everyone that enters the school needs to wash their hands with soap for 20 seconds

Using hand sanitizer at school is also a good idea

The classrooms will look different

Many things will be put away

We will not be able to share books at school which will make us very sad

We will not be able to share toys at school

We will not be able to share food at school

We need to limit the things that we touch so that we don't spread germs

We also need to physically distance ourselves from others at school

We will not be able to hug others or
hold hands with others at school

The tables will be spread out, instead
of in groups

Friends from other classes might not
be outside at the same time

Our playgrounds will NOT look like
this!

There will not be large gatherings at school, like assemblies

There are many things that we will be able
to do at school and it will be lovely to be
back at school

We're Going Back To School

It will feel good to see some familiar faces and chat from a distance

These changes at school are temporary. They will not last forever

For now, everyone needs to follow the safety rules and hopefully school will become more relaxed

- We will be back together soon
- We miss you and know how hard you have been working away from school
- We are so very proud of each and everyone of you

- Sending virtual hugs
