

St. Andrew's CE Primary School

Pupil premium grant expenditure: 2019/2020

Overview of the school

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	72
Total number of pupils eligible for PPG	17
Amount of PPG received per pupil	£900 x 16 PPG £900 x 2 SCP £400 x 1 LAC
Total amount of PPG received	£17,840

Nature of support in 2019/2020

We currently provide:

- Daily intervention with a team of teaching assistants, working on specific needs and requirements (£4,000 per year)
- HLTA working on social skills/social and emotional intervention (£3,000)
- Bereavement/Emotional Well-Being Counselling with a trained teaching assistant (£3,120)
- Residential visits and day trips paid for using PPG funding for all PPG children (£2,000 per year)
- Access to authors, resources, including technology (£3,000)
- Music lessons to enhance the opportunities for the PPG children, these include drums, guitar and piano lessons (£2,580)

Curriculum focus of PPG spending in 2019/2020

To provide:

- Support for PPG children in areas of mathematics, including rapid recall and fluency, to enhance their learning
- Phonics programmes developed and delivered to children in all key stages
- Continue the support already provided through intervention in mathematics, literacy and the foundation subjects
- Emotional literacy support for children who require one to one opportunity to have a trusted adult/key worker supporting them
- Enhancing the provision of PE and sport for those children who excel

Measuring the impact of PPG spending

The impact of the PPG is measured every term using the school's PPG provision map. Staff complete individual sheets outlining the provision and the impact that provision has had on attainment and progress of the children.

This information is shared at Pupil Progress meetings and at Governors Meetings.

The school follows the PPG policy that has been developed and adopted by the SLT and Governors. This feeds in to the PPG provision mapping.

PPG children are high on the school's agenda and every effort is made to ensure that the gaps are closing for our PPG children.

Following Covid – it is evident that the number of PPG children has and will continue to rise. The children will continue to be of a high priority and their outcomes and needs met fully.
