

Sapphires - Lockdown lessons - Week 2

Design Technology	Art	Geography	Science
<p>Ask a grown-up to help you to bake some Gingerbread men. If you can't get the ingredients, make plain pastry and decorate with current eyes. Upload a photo of it on to Seesaw.</p> 	<p>Use the internet to find fox paintings by other artists. Choose your favourite and tell me why it is your favourite. Upload a photo of the painting and your answer to Seesaw.</p> 	<p>Imagine the Gingerbread Man escaped from the fox and hopped on to an aeroplane. Can you research where you think he would travel to? Make a fact file telling me all about the place. Include things like; weather, what you can do there, the food you could eat, the flag..... Upload your work to Seesaw.</p> 	<p>I would like you to spend ten minutes in your garden taking note of the different creatures that live there/fly by. You can either sit quietly observing or having a good look in the grass/plants. You can write or draw all the visitors to your garden. How many different creatures did you see? Which did you see the most of? Upload your work to Seesaw.</p> 
History	RE	PSHE	PE
<p>First, I would like you to watch the Horrible Histories Monarchs Song (either on Youtube or iplayer). Next, I would like you to choose one of the Kings or Queens mentioned in the song and complete a fact file about them. Perhaps include a portrait! The more unusual the facts about them the better! (The Horrible Histories on iplayer are a useful start - Series 6 has Tricky Queen Vicky and Gorgeous George III)</p> 	<p>Following on from last week, think about how we can help to look after the wonderful world God has created. Could you write a list of five instructions for humans to follow to make sure the world stays 'good' i.e Don't chop all the trees down because they give us air to breathe.</p> 	<p>Oak Academy Trust - RHE - Me, You & Us - Lesson 2 - One Big Family Please upload your work to Seesaw. https://classroom.thenational.academy/lessons/one-big-family-cthp2c</p> 	<p>This week I would like you to join in with at least 3 sessions of Cosmic Kids Yoga. www.youtube.com If you type in Cosmic Kids Yoga in the search bar you will find many different themed yoga sessions; Sonic, Harry Potter, Pokemon. Choose your favourite.</p> 

- Weekly spellings will continue to be uploaded to Seesaw on Mondays for those children currently receiving them. Could you help your child to practise these each day and 'test' them on Fridays.
- Please continue to read at home. Every time a book is read, please upload the details to Seesaw (i.e Flat Stanley, pages 1-10)
