

	Monday	Tuesday	Wednesday	Thursday	Friday
English	<p>*Phonics play games Username: jan21 Password: home</p> <p>Buried Treasure is a good one for children to access independently.</p>	<p>Step/speak the story You will need a pencil and some paper</p> <p><a href="https://classroom.thenational.academy/lessons/to-step-and-speak-the-story-6dh30d">https://classroom.thenational.academy/lessons/to-step-and-speak-the-story-6dh30d</a></p>	<p>*Phonics play games Username: jan21 Password: home</p>	<p>Description through song</p> <p><a href="https://classroom.thenational.academy/lessons/to-explore-description-through-song-68rp4t">https://classroom.thenational.academy/lessons/to-explore-description-through-song-68rp4t</a></p>	<p>*Phonics play games Username: jan21 Password: home</p>
Maths	<p><b>Classifying shapes</b> Task: Later in the video you will be asked to sort the shapes according to if they have a curved surface or no curved surface. The shapes you are asked to sort are cuboid, cylinder, cube, sphere, pyramid, cone. Rather than print off a worksheet, just divide a piece of paper in two and have the titles: has a curved surface &amp; has no curved surface. The link to the video is below. I will also try to add the link in the comments bar to see if that works too!!!</p> <p><a href="https://classroom.thenational.academy/lessons/to-describe-and-classify-3d-shapes-70u3cc">https://classroom.thenational.academy/lessons/to-describe-and-classify-3d-shapes-70u3cc</a></p>	<p><b>Identifying 2D shapes</b> Task: Later in the video you will be asked to draw a picture using 2D shapes. You will need a pencil and a piece of paper. You could colour in the different shapes too so you may need coloured pencils, crayons or felt tips.</p> <p><a href="https://classroom.thenational.academy/lessons/to-identify-2d-shapes-c9gkjd">https://classroom.thenational.academy/lessons/to-identify-2d-shapes-c9gkjd</a></p>	<p><b>Classifying 2D shapes</b> Task: Later in the video you will need a piece of paper and a pencil.</p> <p><a href="https://classroom.thenational.academy/lessons/to-describe-and-classify-2d-shapes-64ukjd">https://classroom.thenational.academy/lessons/to-describe-and-classify-2d-shapes-64ukjd</a></p>	<p><b>Repeating patterns</b> Task: You will need a pencil, paper and some coloured pencils, crayons or felt tips.</p> <p><a href="https://classroom.thenational.academy/lessons/to-recognise-and-create-repeating-patterns-6rtpac">https://classroom.thenational.academy/lessons/to-recognise-and-create-repeating-patterns-6rtpac</a></p>	<p><b>Repeating patterns 2</b> Task: You will need a pencil, paper and some coloured pencils, crayons or felt tips.</p> <p><a href="https://classroom.thenational.academy/lessons/to-recognise-and-describe-repeating-patterns-6hjk4c">https://classroom.thenational.academy/lessons/to-recognise-and-describe-repeating-patterns-6hjk4c</a></p>

\* When your child has played the Phonics Play game, could you just add a comment to Seesaw as evidence? Example: Today Billy played on Buried Treasure for 15 minutes.

\*Please photograph and upload the Maths and English tasks on to Seesaw.
