

### Year 5 Remote Learning – w.b. 18.01.21

This is our suggested timetable for you to follow for remote learning this week. We will be following this timetable for key worker provision. Please use this as a guide to help with your remote learning; we do understand that this may not always be possible due to your circumstances. Please contact us if you have any issues.

# Frozen Planet

<b>Science</b>	Find out about the life cycle of a mammal and an amphibian that live in either of the Polar regions. (E.g. polar bears, arctic foxes, Siberian wood frogs, Siberian newts...) Please draw and label both life cycles and upload them to Seesaw. If you fancy a challenge, you could even do some research on the two animals you choose and create a fact file about them!
<b>Design and technology</b>	Research different materials – which would be most suitable for an outfit if you were visiting a Polar region? You could think about the different materials you have in the house – which would you wear if you wanted to keep warm? (Think about our work on insulation before Christmas too...)
<b>Geography</b>	Draw a map of the world, including the different continents and oceans. Can you label the North and South Poles on a map? Find out about latitude and longitude. How would you describe the latitude of the North and South Poles? Are there any other features you can label on your map?
<b>History</b>	Ernest Shackleton was a British explorer, famous for his expeditions to Antarctica. Research Ernest Shackleton, and write a biography of him based on all of the things you have learned about biography writing so far!
<b>Physical Education</b>	Our friends from STITC have sent a lesson for you to have a go at this week. <a href="https://www.youtube.com/watch?v=iLC-dO9oMyQ&amp;t=10s">https://www.youtube.com/watch?v=iLC-dO9oMyQ&amp;t=10s</a>
<b>Religious Education</b>	Write instructions that God might give humans to keep the world wonderful!
<b>Independent reading</b> 	<b>Read for at least 20 minutes a day. Share your story with someone in your household.</b> Create two of the following activities based on the book you are reading: <ul style="list-style-type: none"><li>- Pick a descriptive word from the text, write it down and use a thesaurus to write down five synonyms and antonyms for that word.</li><li>- Choose a key moment in the book and change the event. Re-write the following chapter.</li><li>- Think of 5 questions you would like to ask one of the characters. Then write their answers as if you were that character.</li><li>- Which character in your book are you most like? Explain your answer. Which character in your book are you least like? Explain your answer?</li></ul>

<b>Read to relax</b>	Take some time on Friday afternoon to read to relax. Get yourself cozy and comfy and enjoy your favourite book. Post a picture or video on Seesaw for us to see!

**Daily Power Half Hour!**

Make sure to take some time every day to stay active. Here are some ideas:

- Joe Wicks, PE with Joe: <https://www.youtube.com/playlist?list=PlyCLOpd4VxBuS4UeyHMccVAjpWaNbGomt>
- Cosmic Kids Yoga: [https://www.youtube.com/channel/UC5uIZ2KOZZeQDQo\\_Gsi\\_qbQ](https://www.youtube.com/channel/UC5uIZ2KOZZeQDQo_Gsi_qbQ)
- Take a walk to the park!
- Go for a bike ride (remember your helmets!)
- Could you make a circuit of different strength and conditioning activities?
- Practice some skills from your favourite sport.
- Have a living room boogie to your favourite music!

Don't forget to post on Seesaw!! 😊
