Number Creator

I can order and compare numbers beyond 1000.

Ordering Numbers

Order these numbers from smallest to largest.

1300 3475 2894 9374 6352 5505

smallest	→						largest

7483 2939 4583 8023 1029 3049

smallest	→						largest

Comparing Numbers

Place a paperclip in the centre of one of the spinners. Place a pencil point in the centre of the spinner and spin the paperclip. Write the number in the table below. Repeat with the other spinner. Compare the numbers using a comparison symbol: $>$, $<$ or $=$.

First Number	Comparison Symbol	Second Number
e.g. 3984	<	8173

Topic Bingo – 'Oceans'

We have put together a range of ideas for the topic 'Oceans' for the next two weeks.

Each day, either complete one of the given activities or an activity of your choosing based on 'Oceans'.

Research and locate the oceans around the world

Research the animals that live in the ocean – choose one to study in detail

Look at ways that humans are affecting the ocean habitats

Create an information leaflet about the ocean

Create an information poster about how to protect our ocean

Write your own story based around the ocean

Create a video persuading people to take care of our oceans

Make your own artwork using recycled materials

Create some landscape art based on a picture of the ocean

Play some ocean music and sit and listen or read a book
