Topic Ideas – These can be done in the afternoon along with a healthy balance of play.

Go on a walk or spend time in your garden. What creatures can you see or hear? Can you draw them?

Make a home for a creature that lives in the arctic. What will they need to keep warm?

Collect pictures of polar animals and group them by physical features e.g wings, spots, fur.

Draw 4 different pictures of the weather you have seen at your house. You could give us a weather update using your pictures.

Make a model of a polar animal real or imaginary using things from around the house.

Power Half Hour

We want to encourage you to stay active and healthy and do something daily that keeps you moving. Welcome to the **POWER HALF HOUR!**

You could;

- Go on a bike ride
- Have a trip to the park
- PE with Joe
- Cosmic Kids Yoga
- Design your own circuit
- Create a living room assault course
- Weight lift items from the food cupboards
- Have a living room boogie to favourite music

Post your videos and photos on Seesaw for us all to see.
