### Topic Ideas - These can be done in the afternoon along with a healthy balance of play.

Go on a walk or spend time in your garden. What creatures can you see or hear? Can you draw them?

Make a home for a creature that lives in the arctic. What will they need to keep warm?

Collect pictures of polar animals and group them by physical features e.g wings, spots, fur.

Draw 4 different pictures of the weather you have seen at your house. You could give us a weather update using your pictures.

Make a model of a polar animal real or imaginary using things from around the house.

# Power Half Hour

We want to encourage you to stay active and healthy and do something daily that keeps you moving. Welcome to the **POWER HALF HOUR!**

You could;

- Go on a bike ride
- Have a trip to the park
- PE with Joe
- Cosmic Kids Yoga
- Design your own circuit
- Create a living room assault course
- Weight lift items from the food cupboards
- Have a living room boogie to favourite music

Post your videos and photos on Seesaw for us all to see.
