Geography/History

Emeralds will start the term studying The Ancient Egyptians; looking at their culture, lifestyle and their influences on the lives of those that followed. This will be followed next half term with a geography focus (details to follow).

Art/Design & Technology

This term we will have a D&T focus related to our school trip to Cadburys World. The whole school will work collaboratively in a design and make workshop, followed up in school with a Dragon's Den style presentation.

Music

Sign to sing! The class will be learning both new songs and actions!

French

The class will focus on 'Likes & Dislikes' and talking about our favourite leisure activities.

RE/PSHE

This term we will ask 'What does it mean to be a Jew?' looking at symbols, festivals and special places; explaining the main beliefs. Our PSHE focus will focus on making good relationships with our peers and adults.

P.E/Outdoor learning

This term's focus areas will be Dancing, Archery and Gymnastics. We also have Dance with Carla this half term. Please ensure the children have the correct PE kit in school each week.

Computers

Computing is used throughout the curriculum. Emeralds access the Spelling Shed and Espresso Maths programmes each week.

Homework/Spellings

Children will be set homework (inc tables and spellings) on Monday to be returned and tested by Friday the same week. Please note the spellings are now set through the Spelling Shed log in .
